

LOST WAGE & EMPLOYMENT IMPACT

Prior to the incident on February 14, 2026, John Doe was gainfully employed as a **Senior Logistics Manager**. Due to the physical limitations of spinal radiculopathy and the psychological impact of facial disfigurement, the following employment losses occurred:

Period of Absence	Description	Economic Loss
02/15/26 - 03/15/26	Acute Recovery / Initial Post-Surgical Phase (Full Absence)	\$8,500.00
03/16/26 - 05/01/26	Partial Disability / Restricted Duty Intermittent Leave	\$4,250.00
Misc. Dates	Medical Appointments, PT, and Psych Evaluations (60 Hours)	\$3,150.00

TOTAL VERIFIED LOST WAGES: \$15,900.00

Verification: Payroll records and a "Return to Work" restriction note from Dr. Spine are attached to this exhibit.
