

TRAINING MODULE: 9 MOCK PERSONAL INJURY CASES

CASE 01: THE "SOFT TISSUE" SPECIAL

Client: Sarah Miller (Age 29) | **DOL:** 03/10/2026

Fact Pattern: Rear-end collision at a red light. Low property damage (\$1,200).

Injury: Whiplash (Grade II), persistent headaches, Cervical strain.

Insurance: Aggressive Casualty (AD) vs. State Shield (1P).

CASE 02: PEDESTRIAN VS. RIDESHARE

Client: David Chen (Age 52) | **DOL:** 01/05/2026

Fact Pattern: Client struck while in a crosswalk by a driver logged into a rideshare app but without a passenger.

Injury: Tibial plateau fracture; required ORIF surgery (plates and screws).

Legal Issue: Determining which insurance "period" the rideshare driver was in.

CASE 03: COMPLEX - THE MULTI-CAR PILEUP

Client: Elena Rodriguez (Age 41) | **DOL:** 02/20/2026

Fact Pattern: 5-car chain reaction on a foggy highway. Client was Car #3. Car #5 is the primary tortfeasor but has minimum limits (\$25k).

Injury: Herniated discs at C4-C5 and C5-C6; recommended for spinal fusion.

Complexity: Multiple "pockets" of insurance; comparative negligence arguments between Car #4 and Car #5.

CASE 04: THE DRUNK DRIVER (DUI)

Client: Mark Thompson (Age 34) | **DOL:** 12/31/2025

Fact Pattern: Head-on collision with a drunk driver. AD arrested at scene (0.18 BAC).

Injury: Broken nose, wrist fracture, and PTSD.

Legal Issue: Punitive damages claim against the AD.

CASE 05: GROCERY STORE SLIP & FALL

Client: Gladys Winslow (Age 74) | **DOL:** 04/01/2026

Fact Pattern: Slipped on a clear liquid in the produce aisle. No "Wet Floor" sign present.

Injury: Fractured hip; required partial hip replacement.

Insurance: Self-insured big-box retailer (Hard-line defense).

CASE 06: COMPLEX - THE "PHANTOM" DRIVER & UIM

Client: James "JT" Taylor (Age 22) | **DOL:** 03/15/2026

Fact Pattern: A "phantom" vehicle swerved into JT's lane. JT swerved to avoid, hitting a concrete barrier. No contact between vehicles.

Injury: Traumatic Brain Injury (TBI) - Mild; Post-concussion syndrome.

Complexity: Corroborating the "phantom" driver for a Uninsured Motorist (UM) claim without physical contact (requires independent witness).

CASE 07: BICYCLE VS. DOOR (DOORING)

Client: Sophie Vane (Age 27) | **DOL:** 04/10/2026

Fact Pattern: Cyclist struck a car door opened suddenly by a parked driver.

Injury: Road rash, AC joint sprain (shoulder), and destroyed \$5,000 carbon fiber bike.

Insurance: Local Farm Mutual (AD) - Contesting liability.

CASE 08: THE COMMERCIAL DELIVERY VAN

Client: Robert Lee (Age 45) | **DOL:** 11/20/2025

Fact Pattern: Backed into by a "Swift-Drop" delivery van in a parking lot.

Injury: Lumbar bulge; radiating leg numbness.

Insurance: Aggressive Casualty (\$1M Policy).

CASE 09: THE MOTORCYCLE LAY-DOWN

Client: "Brick" Peterson (Age 38) | **DOL:** 04/18/2026

Fact Pattern: Car pulled out from a side street; motorcycle had to lay down the bike to avoid T-bone.

Injury: Severe road rash (degloving on leg) and fractured ribs.

Legal Issue: "No-contact" liability and helmet law compliance.
