NOTICE OF ATTORNEY'S LIEN / QUANTUM MERUIT CLAIM

Client: John Doe | File No: FS-2026-001

Please be advised that The Fast Settlement Firm asserts an attorney's lien against the recovery in the John Doe v. Apex Delivery matter. Our firm provided significant legal services prior to the termination of our representation, including:

- Initial investigation and intake;
- Obtaining the police report and scene photographs;
- Filing the initial claim with Aggressive Casualty;
- Negotiating an initial settlement offer of \$15,000.00.

Per our retainer agreement, we are entitled to reimbursement for advanced costs and a *Quantum Meruit* portion of the attorney fees for the work performed.

LIEN BREAKDOWN:

Case Advanced Costs (Police reports/Med Records):	\$400.00
Time Log (8.0 hours @ \$100/hr internal rate):	\$800.00
TOTAL LIEN CLAIMED:	\$1,200.00

We expect this lien to be honored at the time of final distribution.

Regards,

Barry Slow, Esq.
Managing Partner

NOTICE OF SUBROGATION INTEREST (ERISA GOVERNED PLAN)

Member: John Doe | Group ID: BC-441-A | Incident Date: 02/14/2026

BlueCross has identified that medical benefits were paid on behalf of the member named above for injuries sustained in a third-party liability incident. This health plan is a self-funded plan governed by the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan's language provides for a **first-priority right of reimbursement** from any recovery obtained from a third party, regardless of whether the member is "made whole." Further, the Plan does not recognize the "Common Fund Doctrine" or any reduction for attorney fees unless expressly agreed to in writing.

CURRENT SUBROGATION INTEREST:

Total Benefits Paid to Date: **\$20,000.00**

Please notify this office immediately upon settlement. We require a full itemized settlement statement before any funds are disbursed.

Respectfully,

Lien Specialist

Subrogation Unit

Note: This is an ongoing lien. Additional medical payments may be added as they are processed.
